This sample was sent to Alere Toxicology Services and the report confirmed the presence of methamphetamine(s).

Additionally, urinalysis results collected on 6/14/2024 and 6/17/2024 would also yield positive results for amphetamine(s); however, these two instances of non-compliance were the result of testing conducted at a treatment provider and were addressed as a single relapse surrounding the events reported in paragraph C.

The instances of non-compliance listed above were reported to the court by way of the modification filed in this case on 8/1/2024.

- D. On 8/15/2024, the defendant provided a sample for urinalysis which yielded a positive result amphetamine(s). The defendant also signed a written admission to the use of "meth".

Based thereon the parties stipulate, pursuant to U.S.S.G. §7B1.4, that the Guidelines range of imprisonment for a Grade C violation and a Criminal History Category of I is a term of imprisonment from 3 to 9 months.

If accepted by the Court, the parties agree, pursuant to Federal Rules of Criminal Procedure 11(c)(1)(C) and 32.1, that the Court should revoke supervised release and order the defendant to be imprisoned for a period of 3 months, to be followed by 24 (TWENTY-FOUR) months of supervised release, as set forth below in the Agreed Sentence section of this Order. If the Court rejects this sentencing agreement, the defendant has the right to withdraw from this Agreed Order and have an evidentiary hearing on the Petition for revocation of supervised release.

DEFENDANT'S ACKNOWLEDGMENT AND WAIVER

The defendant acknowledges that he/she is admitting the violations of supervised release because he/she did, in fact, violate the conditions of supervised release set forth above.

The defendant acknowledges that he/she has had an opportunity 1) to review the written notice of the alleged violations of supervised release and 2) to review the evidence against him/her related to those alleged violations.

The defendant further acknowledges that he/she is aware of the following rights and is knowingly waiving these rights in exchange for the agreed sentence:

- 1) The opportunity to appear personally, present evidence, and question adverse witnesses at a revocation hearing; and

- 2) The opportunity to make a statement personally to the Court in mitigation of sentence and to present mitigating evidence to the Court.

If the Court accepts the agreed sentence, the defendant knowingly waives the right to contest the revocation of supervised release and the defendant's sentence in any appeal or post-conviction action. Claims of (1) ineffective assistance of counsel and (2) prosecutorial misconduct, and those claims only, are exempt from this waiver.

The defendant further acknowledges that the Court may impose conditions of supervised release different from or in addition to those that were imposed in the original Judgment.
